Dear Mr. Paradine:

Thank you for considering Clean Harbors Environmental Services, Inc. (Clean Harbors) for your high hazard waste management needs. We are pleased to provide you with the following pricing. Additionally, Clean Harbors has the appropriate permits and licenses for the acceptance and disposal of any waste streams identified within this quotation.

In addition to providing laboratory chemical management services and disposal to our company owned and operated facilities, Clean Harbors offers a broad range of environmental services including:

- Waste Transportation & Disposal
- Laboratory Chemical Packing
- Field Services
- 24-Hour Environmental Emergency Response
- Industrial Services
- Apollo Onsite Services

I look forward to continuing to service your environmental needs. To place an order, please contact our Customer Service group at 800.444.4244. If you have any questions or need further assistance, you may reach me at the number below.

Sincerely,

KEITH W MILLER

QUOTE TOTAL ESTIMATE

\$22,372.48

QUOTE CONDITIONS

Clean Harbors estimates it will take 1 day to package the tracers for disposal. Invoice will reflect actual days onsite and number of drums used. Disposal will be billed at \$6.00 per lb. gross weight. Gross weights equals material + packaging + container. Diesel will be added onsite to stabilize material.

Please note that this price is based on assumptions made about the actual container sizes of items for disposal. Final billing will be based upon the actual materials packaged for disposal based on the unit rates quoted.

GENERAL CONDITIONS

1. Prices firm for 30 days.
2. Terms: Net 15 days, upon approved credit.
3. Interest to accrue at the rate of 1.5% per month or the maximum allowed by law after 15 days.
4. Applicable sales tax and state regulatory fees are not included in quoted prices.
5. Materials subject to additional charges if they do not conform to the listed specifications.
6. A variable Recovery Fee (that fluctuates with the DOE national average diesel price), currently at 11.5%, will be applied to the total invoice.
7. Pickups that require same day or next day service may be subject to additional charges.
8. Pickups cancelled within 72 hours of scheduling will be subject to cancellation charges.
9. Standard labor rates apply for 8 hours on-site time per chemist unless otherwise quoted. Additional on-site labor over 8 hours will be billed at 1.5 times the standard rate unless otherwise quoted.
10. Standard disposal conversions (excluding minimums) apply to containers other than 5 gallon drums unless otherwise quoted: 6-20g 60%, 21-30g 75%, 31-55g 100%, 56-85g 145%, FBIN 350%, TOTE 630%.
11. In the event that legal or other action is required to collect unpaid invoice balances, Customer agrees to pay all costs of collection, including reasonable attorneys' fees, and agrees to the jurisdiction of the Commonwealth of Massachusetts.

WASTE CLASSIFICATIONS SPECIFICATIONS

Waste Code	Description
A99X	EXPLOSIVES Requires special handling Specifications determined for each profile Disposal method determined for each profile
